

## **#StaySafeGetActive Competition**

We have an exciting competition we are running for all infant, junior and primary school students in Milton Keynes!

### **What you have to do**

Send in a photo or a drawing of:

- Something you have enjoyed doing **activity wise** during lock down (e.g. walking once a day, cycling on your bike)
- Something you have learnt during **lock down** (e.g. knowledge about air pollution, activity or skill such as riding a bike)
- Something you **WANT** to keep doing after lock down (e.g. walking or cycling to school)

\*Please note entries must be related to either activity (walking, cycling) or knowledge on air pollution.

### **Top Tips**

- The more **COLOURFUL** and creative the design or photo the better!
- Think about sending a message to people about carrying on with activity after Coronavirus

## **The winner will win a scooter AND a scooter pod for your school!!**

We will put as many entries as possible into a video compilation which will be displayed on social media. Your entry may also be put on social media platforms. Please notify us when ending in your entry if you do not want your entry to be use on our social media platforms.

\*\*\*Please ensure follow government guidance on exercising with members of your household only and maintaining social distancing\*\*\*

### **DEADLINE!!**

Friday 29th May @12pm

Entries sent to [cycling@milton-keynes.gov.uk](mailto:cycling@milton-keynes.gov.uk)

Good Luck!
