

# Modeshift STARS

Summer 2021

## Clean Air Day & Resources

Clean Air Day is 17th June, by promoting this you achieve initiative AQ15. Click [here](#) to download free resources.

Why not take it one step further? We have our own resources for Y5/Y6/Y7 that educates more about air pollution!

## Transition Resources

Prepare your Y6's for their move to secondary school. Resources are made up of 3 sessions covering: Road Safety, journey planning and key things to think about. Can be delivered internally or by MKC.

## Bling Your Bike Day

A fun initiative that gets students to decorate their bikes!

This can also run as an art competition.

## Golden Padlock

Reward students for cycling! A padlock template gets placed on a random bike, on a random day, the owner of the bike wins a MKC supplied goodie bag!

## Bike Register

Students, parents and staff can get their bikes registered on the national bike register database. In the event of the bike being lost or stolen and then found it can be returned to the rightful owner!

## Scooter Skills

These sessions allow students to learn basic scooter skills! Session run by MKC. Please note students must own scooters.

## Interested?

All resources and sessions are free of charge to those signed up and engaged with Modeshift STARS. Contact [ellie.williamson@milton-keynes.gov.uk](mailto:ellie.williamson@milton-keynes.gov.uk) to discuss further!

## Active Travel Breakfasts

Reward students for walking, cycling or scooting to school! Hold a breakfast event at the school gates.
