## School Street Update

Milton Keynes' third School Street launched Monday 13 June at Loughton School. The pilots at Cold Harbour CofE and Chestnuts Primary ends this term. We are looking forward to finding out the benefits it has had!

Congratulations to Ameena who won a competition to draw how the road outside the school has changed because of the School Street. Ameena attends Cold Harbour School - well done!

## Summer Term Initiatives

Here's a round up of some of the great initiatives that happened during the summer term!

### Clean Air Day

Each year Global Action Plan hold National Clean Air Day to promote and encourage people to think about travelling more sustainably. This year it was on Thursday 16 June.

Long Meadow School promoted Clean Air Day to all parents and students. On the morning students spoke to vehicles that were idling in their car park, educating 16 vehicles of the affects running their engine has.

Well done Long Meadow!
